

## Theater Show Rijswijk July 12, 2025

We are happy to share the details about our upcoming theater performance.

### Arrival of the participants.

All dancers should arrive at the Rijswijkse Schouwburg on **Saturday, July 12 between 11:30 hrs and 12:00 hrs.**

Please go to the artists' entrance at the back of the theater. Our team will be there to welcome everyone.

Parents or guardians are NOT allowed to enter, except for our volunteers and team members. This is required to meet the fire safety rules.

Special instructions for the Mini, Midi Dance, and Special Dance groups will be shared separately by email or directly through the trainers.

### Inside the theater.

Once everyone is inside, we'll take a tour through the theater together.

We'll visit the stage and dressing rooms, and each group will have its own space to store bags and other things.

After that, we'll rehearse the opening and closing dances one more time — just like we practiced in class.

### Lunch break.

After that, there will be a short lunch break.

**Please bring your own sandwich or snack from home.**

### Afternoon performance

At **12:30 hrs**, the theater doors will open for family and guests with a ticket for the afternoon show.

We also warmly welcome elderly guests from care homes, children in youth care, and individuals with intellectual or emotional disabilities. This year, we will also invite children from the foundation Het Vergeten Kind.

**The afternoon show starts at 13:30 hrs and ends around 16:00 hrs.**

It promises to be a joyful and heartwarming performance!

### Dinner time.

After the first show, we will take a well-deserved break. There will be time to relax, play a game or just sit together. We will provide food and drinks.

To help cover costs, we kindly ask for a small contribution of € 5.00 per person. More information will follow soon.

We will also use this time to refresh makeup and discuss anything that needs improvement from the first performance.

## Evening performance.

Next up: the evening show!

Doors open at **19:00 hrs** for family and friends with evening tickets.

**The show begins at 20:00 hrs and ends around 22:30 hrs.**

Get ready for a spectacular finale!

### A long, fun day

Yes, it's a long day — but also full of fun and excitement! With 16 years of experience, we know how to make it a smooth and enjoyable day for everyone.

There will be plenty of time to rest, and each group will have a quiet space to watch parts of the show if they wish.

Our experienced team will guide and support the dancers throughout the day.

## Can't participate?

If your child cannot take part in the show, please inform their trainer as soon as possible.

This helps us to decide whether the group can still perform or if changes are needed. Performing with too few dancers isn't ideal and may make the children feel nervous on stage.

We hope every child will be able to join — this performance is the result of a full year of dedication and hard work!

### Important:

Only one group — the Wednesday 5/6-year-olds (Danielle/Marieke) — may leave after the break during the evening show.

They may not join their parents in the audience.

**For all other groups:** children must stay until the show ends around 22:30 hrs.

This is important so the team can keep things organized and safe.

## Ticket sales.

Just like last year, tickets can be purchased directly at the Rijswijkse Schouwburg.

**Sales open on Saturday, May 17 at 10:00 hrs.**

## Final rehearsal.

There will be a final rehearsal before the big day.

More details will follow, but please keep **Wednesday, July 2 (from 16:00 hrs)** free in your calendar.
